A Year in Review

The Monterey County Fair Heritage Foundation, formerly known as the Friends of the Monterey County Fair will be celebrating fifteen years of service in 2014! The mission statement of the Foundation is to raise funds through grants, catering and concessions at the Monterey County Fair and to support the functions of the Monterey County Fair.

In 2011, the Foundation became the master concessionaire for all alcohol sales on the Fairgrounds in an effort to generate much needed revenue to replace what was once provided by the State of California. In 2013, the Heritage Foundation has generated over \$174,000 in concessions revenue for the Monterey County Fair and Event Center!

We thank all of our members and donors for supporting the Foundation, but we aren't through yet! Below are just some of our future goals:

1

Complete the purchase of the Monterey Beer Festival. The net revenues of this Festival will fund capital improvements on the Fairgrounds.

2

Complete the fence replacement project along Fairgrounds, Garden and Airport Roads

3

Replace back road and live-stock midway light poles

4

Renovate the Monterey Room Banquet Hall with new carpet, paint and lighting upgrades

5

Rebuild the Payton Garden Stage

- We are pleased to have completed the following projects:
- 2011** – Fence Replacement on Fairgrounds Road
 - 2012** – Remove back wall of the Pattee Arena and re-route all electrical and water outlets.
 - Repaint the floor of the Visual Arts Exhibit Building

Hello All!

I am excited to be a part of the Monterey County Fair Heritage Foundation Family as your Beverage Concessions Coordinator! I have a Bachelors Degree in Public & Professional Communications from Cal State East Bay but my passion has always been within the Fair Industry. I grew up participating in 4-H and was an employee at the Contra Costa County Fair for 3 years coordinating the Facility Rentals and Exhibits Department. The MCF Heritage Foundation is rapidly moving in a new direction and recently we have rolled out new

Bar Service Packages for public and private events at the Fairgrounds. In addition to the onsite event services, we are pleased to announce that the Heritage Foundation has gone mobile and will be available to book at venues throughout Monterey County. Be on the lookout for more info to come at www.montereycountyfair.com/heritage-foundation.

Best Regards,

Jennifer Chivers
