

## Drive-in Movies at the Monterey Fairgrounds

Our Pattee Arena is home to Monterey's only Drive in Movie theatre. Featuring a crystal clear LED screen and Dolby surround system, movie and concert goers are entertained week after week from the safety of their own vehicles. Audio can be streamed over the radio as well if that is preferred. The Drive in comfortably holds 60 vehicles. Refreshment stand is located at the back with fresh popcorn and a full menu of snacks, food and beverage items, there is even a bar open for most shows. Restrooms are serviced regularly for the safety of our guests.
