

**MB
CLASSIC**

Dear potential donor,

It is our pleasure to announce that we will be bringing back the Monterey Bay Classic Jackpot Show. After many years the Monterey Bay Classic will return to Monterey, CA. The show will once again be held on the Monterey County Fairgrounds. Due to the past year we have seen and all of the struggles that have come with COVID-19, now more than every we are committed to host a live in person livestock jackpot show for exhibitors 9-19 years of age. We are thrilled to again partner with CJLA (California Junior Livestock Association) to sanction our shows that will be held June 12 & 13th, 2021 we will welcome exhibitors from all over the united states.

We are writing to you today looking for donations to make this show possible. Our goal is to provide a top notch livestock show once again, create beautiful awards and pay our exhibitors out in competitive cash prizes. To achieve all of these goals we are asking for donations to help support this program. Attached is a list of our sponsorship levels. Some of the benefits of sponsoring our show include your logo posted throughout the show, on major awards, shared on our social media accounts, our website and advertised throughout the ring all weekend long.

Thank you for your time and consideration in donating to our program we appreciate your help in bringing back our beloved Monterey Bay Classic Jackpot Show this year.

Sincerely,

A handwritten signature in black ink, appearing to read 'HR' with a large, stylized flourish extending to the right.
