Important things to note:

MCF Event Coordinator must be notified 30 days in advance of all vendors who will be providing serviced at your event.

If you have a vendor you would like to use that is not already a MCF Preferred Vendor, *they will need to submit an application, proof of insurance and **be approved**, before you can contract services.*

Effective Sept 2021, no bounce houses or portable stages permitted on property.
(Stages can be rented through MCF and set up by MCF staff only)
