DEPARTMENTAL RULES AND REGULATIONS

1. This department is open to California exhibitors only
2. **FEATURED CLASS 2024:** Division 600, Class 2: **Corriedale Ram or Ewe.** Premiums will be paid to 8 places.
3. Only fleeces in the grease are eligible for competition. Manufacturers and dealers are excluded. Judging begins at 9:00 AM Saturday, August 10, 2024. This is prior to the Fair.
4. Fleeces shall not be more than 12-months growth. The definition of “12-months” shall be the definition most commonly accepted by the wool trade. Thus, if a fleece is actually slightly more than 12-months growth, due to unavoidable delay in obtaining shearers, or by weather, it shall be termed “12-months” wool.
5. Because this Wool Show terminates in an auction of hand spinning quality fleeces, all fleeces shall have bellies and tags removed. Fleeces not in compliance shall be disqualified. Fleeces entered in breed classes shall not be penalized for their light weight.
6. No wether fleeces may be included.
7. Ewe and White fleeces only in Market, Division 601.
8. Double coated fleeces such as Purebred Navajo-Churro and Karakul fleeces are to be shown only in the Breed Classes as their double coats make them very difficult to class commercially.
9. Each exhibitor will be limited to two fleece entries per class.
10. All fleeces entered must have been sheared from sheep owned by the exhibitors.

11. The judge has power to re-classify fleeces and move fleeces to the correct Division or Class before making awards. If moving fleeces results in an exhibitor having more than two fleeces in the Division/Class, the extras will be disqualified.
12. Fleeces will be shown in clear plastic bags, rolled with flesh side out in a manner to allow their being handled without falling apart.
13. Any fleeces entered for competition in the Monterey County Fair Wool Show shall be discriminated against if:
 - Showing any paint or tar brands (soluble branding fluids permitted).
 - Showing a weak staple or break in the fiber.
 - Containing any excess burrs or other vegetative matter.
14. JUDGING OF FLEECES SHALL CONSIDER:
 - Fitness
 - Evenness of quality or fitness among the various parts of the fleece
 - Length and strength of staple
 - Estimated clean weight
 - Condition
 - Character, including crimp and color
15. Fleeces may be shipped to the Wool Show at the address listed on the first page of the Department. A paper carton is excellent for shipping.
16. SALE OF WOOL: Fleeces deemed spinning quality by the judge will be sold in a special fleece auction unless disqualified. ALL FLEECES WILL BE OFFERED AT AUCTION. Please state on Entry form, the MINIMUM PRICE per Pound desired for each fleece, and disposition of fleece if not sold at auction. A 6% selling charge will be collected on all fleeces sold. If no minimum price is set, it will be determined to be \$2.00/lb. You will NOT be allowed to change sale price after entry is received.
17. Exhibitors not wishing to incur the cost of return shipment for fleeces which do not sell may donate said fleeces to the Wool Show. The fleeces will be used for educational purposes. Please arrange for retrieval of any unsold fleeces.
18. Disqualified fleeces will be released immediately after judging, Saturday, August 10, 2024. All unsold fleeces will be released following the auction. Please pick up by 3:00 PM on September 3 at the Wool Show Building. Please send a letter of authorization if you wish to have someone else pick up your unsold fleeces.
19. Only the Champion and Reserve Champion of Breed Classes, Market Classes, and Natural Colored Wool Classes are eligible for Grand Champion Wool.
