OFFICE OF THE GOVERNOR

**California Agriculture Fair Season**

It is my pleasure to welcome you to the 2025 California fair season!

From the first fair of the season in February to the last in late October, fairgrounds across the state are busy planning for one of the largest events of the year. These annual fair events have so much to offer.

At the fair, you can expect to find the traditional corn dogs, cotton candy, and carnival rides. In addition to these delicious treats and fun entertainment, you can also enjoy competitions, exhibitions, and educational activities. Your participation as exhibitors helps promote the importance of agriculture and food production throughout our state.

Aside from the annual fair, California fairgrounds remain busy hosting a variety of other events throughout the year. Most of these events are fun and festive celebrations that represent the culture and diversity of the communities that surround the fairgrounds. However, our fairgrounds are also amongst the first to serve in times of despair during emergencies and evacuations.

As resiliency centers, our fairgrounds provide safe shelter and build community preparedness as hazards like wildfires, floods and extreme heat become longer lasting and more frequent in California. During disasters, the fairgrounds offer a place to stay with kitchen and sanitation facilities, showers, and other resources.

Our fairgrounds are so important for our communities and so are exhibitors and advocates like you! Thank you for your many contributions to the continued success of the fairgrounds.

Sincerely,

A handwritten signature in black ink, appearing to read "Gavin Newsom", written over a horizontal line.

No exception to this rule will be allowed without written permission from the Management of Monterey County Fair prior to the starting Fair date. Any exhibitor who removes his/her exhibit before the release date will have his/her premium monies withheld by Management.

20. **PROTESTS:** Protests will be considered only if there has been a violation of the State or Local Rules that have not been enforced. Decisions of judges, veterinarians, weighmasters, Livestock Superintendent, breed callers, tail dock officials and timers cannot be protested and are final. All Protests must be accompanied by a deposit of \$500.00 (cash, money order or certified check made payable to the Fair). NOTE: The deposit will be returned if the protest is upheld. If the protest is upheld, the violator may be held liable for any portion of the direct costs incurred by the Fair during the protest resolution. Failure to reimburse the Fair shall be cause for disallowing future entries in any of the network of California fairs.

Given the short duration of the fair:

- The protestor shall make every effort to file the protest prior to judging. All protests must be filed in writing within 24 hours of the time of the cause of the protest and before the conclusion of fair.
- The fair will make every effort to resolve protests as quickly as possible. All exhibitors by entering an exhibit and all people by filing a protest agree to cooperate with Fair Management to resolve protests in a timely manner.
- Protests shall be adjudicated by Fair Management and/or members of Board of Directors.

Any exhibit involved in a filed protest before or during judging is eligible to compete until the protest is resolved.

Classes that involve a protested exhibit will not become official until the protest is resolved.

- In championship or special award classes that involve the protested exhibit the judge shall also select 1st and 2nd runners-up in case of disqualification.
- In the case of protest, the unofficial judging results may be used to prepare the sale list and other necessary information.

At the discretion of the CEO, judging can be delayed allowing time for the Fair to resolve the protest if to do so does not unreasonably delay or disrupt the operations of the Fair judging and auction events.

Prior to judging the affected class, fairs may announce that an entry has been protested.

All questions concerning competition or non-protestable disputes or differences with staff or the exhibition not provided for under the State or Local Rules shall be referred to the CEO or their designee, whose decision shall be final.

Violations of State Rules may appeal to F&E in writing. An individual may appeal to F&E only after adjudication at the local level and only if:

- The decision upholds a Local Rule that circumvents or is not in the spirit of a State Rule(s);
- The individual can substantiate new and credible information that was not available at the time of the local decision; or
- There was inappropriate adjudication at the local level that may have included conflict of interest, lack of due process, or a significant misinterpretation of rules.

A fair or state, national or international organization or subdivision thereof which has a significant stake in the interpretation of rules affecting the network of California fairs may make an appeal directly to F&E concerning multiple-fair issues, industry-wide issues, unavoidable conflict of interest or assistance in enforcing its own organization rules.

No protest will be accepted unless it:

- Is filed or received, in writing, with a signed original and a signed duplicate copy.
- Clearly states which rule has been violated.
- States when the protestor first became aware of the facts and rule violation.
- States the facts relied upon for the basis of the protest.
- States that the protestor will cooperate with the investigation of the protest and that the protestor will be available and agrees to attend any hearing held to resolve the protest at the time and place directed by F&E;
- Includes the names of supporting witnesses, with accessible phone numbers; and
- Describes or attaches any document relating to the protest, which must include the written decision issued by the local arbitrating body.

The Fairs & Expositions Branch (F&E) must receive the appeal in writing within 24 hours of receipt of notice of local decision.

A hearing may be conducted at the discretion of F&E. The F&E Branch Chief may consult with and/or request that members of State Rules Advisory Committee participate in any hearing.

Once the Branch Chief has ruled on an appeal to F&E, no additional protest or appeal will be considered relating to that incident.

2. FEATURED CLASS 2025: Division 602, Class 6, Variegated Fine Combing 64s-80s

4. Fleeces shall not be more than 12-months growth. The definition of "12-months" shall be the definition most commonly accepted by the wool trade. Thus, if a fleece is actually slightly more than 12-months growth, due to unavoidable delay in obtaining shearers, or by weather, it shall be termed "12-months" wool.
5. Because this Wool Show terminates in an auction of hand spinning quality fleeces, all fleeces shall have bellies and tags removed. Fleeces not in compliance shall be disqualified. Fleeces entered in breed classes shall not be penalized for their light weight.
6. No wether fleeces may be included.
7. Ewe and White fleeces only in Market, Division 601.
8. Double coated fleeces such as Purebred Navajo-Churro and Karakul fleeces are to be shown only in the Breed Classes as their double coats make them very difficult to class commercially.
9. Each exhibitor will be limited to two fleece entries per class.
10. All fleeces entered must have been sheared from sheep owned by the exhibitors.
11. The judge has power to re-classify fleeces and move fleeces to the correct Division or Class before making awards. If moving fleeces results in an exhibitor having more than two fleeces in the Division/Class, the extras will be disqualified.
12. Fleeces will be shown in clear plastic bags, rolled with flesh side out in a manner to allow their being handled without falling apart.
13. Any fleeces entered for competition in the Monterey County Fair Wool Show shall be discriminated against if:
  - Showing any paint or tar brands (soluble branding fluids permitted).
  - Showing a weak staple or break in the fiber.
  - Containing any excess burrs or other vegetative matter.
14. JUDGING OF FLEECES SHALL CONSIDER:
  - Fitness

## 2025 JUNIOR LIVESTOCK EXHIBITOR CODE OF CONDUCT & PARENT/LEADER/ADULT CODE OF CONDUCT

### **REQUIRED FOR ALL EXHIBITORS**

**EMAIL TO ENTRY@MONTEREYCOUNTYFAIR.COM, NO LATER THAN AUGUST 8, 2025**

This Code of Conduct was developed by the 7th District Agricultural Association (DAA), who operates under the auspices of the California Department of Food and Agriculture, Division of Fairs and Expositions, for the primary purpose of producing the annual Monterey County Fair.

The Code of Conduct is further enhanced with additional rules and regulations, including the State Rules.

### **JUNIOR LIVESTOCK EXHIBITOR CODE OF CONDUCT (PART I)**

#### **POLICIES FOR EXHIBITOR CONDUCT**

1. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives or show officials before, during, or after the competitive event is PROHIBITED.
2. Exhibitors shall use respectful language. No foul or abusive language or gestures will be tolerated.
3. All Junior Livestock Exhibitors shall take responsibility for caring and grooming for his/her own animals. If assistance is needed it should be intended to help the exhibitor learn and gain new skills. All Exhibitors can be assisted by immediate family members and other active 4H/FFA members, eligible to show at the 2025 MCF. The Fair's designated Livestock Species Superintendent will oversee barns and enforce all rules.
4. Exhibitors acknowledge that the Monterey County Fair Junior Livestock Auction is a TERMINAL SALE, all Market Acceptable/Market Ready animals judged will be sold through the auction.
5. Possession of any weapon or illegal drugs on the Fairgrounds is prohibited.
6. Possession of alcohol or consumption of alcoholic beverages on the Fairgrounds, and/or being under the influence by any underage exhibitor (minor) on the Fairgrounds is prohibited.
7. Use of fireworks or sparklers is prohibited on the Fairgrounds. Smoking or vaping of any kind is allowed only in the designated location on the Fairgrounds and not allowed by any underage exhibitors.
8. Any exhibitor whose conduct jeopardizes the health and safety of another exhibitor, animal, or the public, will be immediately expelled from further participation in the 2025 Monterey County Fair and possibly future fairs. The exhibitor and their animal(s) are to be removed from the grounds immediately and lose the opportunity to show and sell his/her animal(s) through the Junior Livestock Auction. Health or Safety issues include, but are not limited to, actions involving weapons, alcohol, illegal drugs, or fireworks, as mentioned in items 5-7 above, and not caring for, i.e. feeding and watering, the exhibitor's animal project.
9. If animal(s) have been sold in the Junior Livestock Auction and Rule 8 needs to be enforced the animals will remain on the grounds.

#### **POLICIES FOR ANIMAL TREATMENT**

1. Any effort to artificially change the conformation or appearance of an animal by treating the animal, internally or externally, with any irritant, counter-irritant, or other substance is considered unethical, inhumane, and is prohibited. Treatments that are prohibited include, but are not limited to, the use of artificial hair coloring (sprays, etc.), excessive use of common products such as fly spray, ointments or liniments, or other similar products. Excessive use is defined as the use of a substance to the point that it irritates the animal. For reference, livestock can be fit with livestock show supply spray paint from the knees and hocks down. Cattle may have livestock show supply spray paint applied to tail heads, tails, and tail switches.
2. Adding false hair or hair-like material, fleece, or skin to any portion of the animal's body is not allowed and will result in immediate disqualification. Causing the animal to ingest any liquid or substance not considered part of an accepted and normal livestock diet, or in quantities not considered normal for livestock, is deemed illegal and inhumane. For example: the use of alcoholic or carbonated beverages as a drench or filler.
3. The use of tranquilizers, sedatives, or depressants, which alter the physical or physiological state of the animal, is not allowed. Exceptions to this rule would be a California Licensed Certified Veterinarian's treatment for recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The Livestock Office must receive notification from the Licensed Certified Veterinarian of the details of any such prescribed treatment in writing. The substance used in this treatment must have been approved by The Food and Drug Administration for use in meat producing animals.
4. It is the responsibility of the exhibitor to feed, water and care for any animal they have entered in the Fair throughout the entire Livestock Show, including any period following the sale of the animal prior to the end of the Show/Fair (with exception of dates in Section 1, Policy 4). **All market animals must be cared for and are the responsibility of the exhibitor until 5:00 pm on Monday, September 1, 2025.**
5. Any animal that appears ill or injured while at the Fairgrounds must be reported to the livestock office. A veterinarian must check any animal considered unhealthy. If it is determined that the animal is carrying a communicable disease, the animal will be removed from the Fairgrounds. The Fairgrounds will not assume the cost for this action. The exhibitor must assume the full expense of the veterinarian's services.

6. Any animal that is determined to be unmanageable, or could be a safety hazard to the public, will be removed from the Fairgrounds. The Livestock Superintendent/Fair Management makes this decision final.
  7. It is considered abuse to excessively shrink or excessively exercise an animal.
  8. Other than to reduce higher than normal body temperature of an animal that is overheated, ice is not to be applied to the body of an animal. Ice in a bucket of water is permitted. No cooling devices, electrical stimulation tools or shockers may be used. Ice used to cool down the body temperature of a hog is acceptable.
  9. Physical abuse of an animal will not be tolerated. For example: when moving hogs, care should be taken not to excessively beat or hit an animal (either by a person or with an object).
  10. For the safety of the animal and the public, animals are not to be left unattended on fitting tables or in blocking chutes.
  11. All lambs and goats must be shown with their front feet on the ground as practiced by acceptable showmanship procedures. If this policy is not followed, the judge may ask the exhibitor to leave the ring.
  12. During animal weigh-in, while at the scale, or any time during the Fair or on arrival times, all sheep and goats will be checked for any infectious disease, open sores, abscesses, injury, parasites, or any unhealthy condition. Those animals determined to have an infectious disease will be asked to immediately leave the fairgrounds. For example: animals found to have live active Ringworm or active Sore Mouth will be asked to leave the fairgrounds. It is strongly suggested that the health of each animal be evaluated prior to coming to the Fair. The Fair Association is not responsible for any costs associated with the transfer or care of these animals.
  13. Exhibitors should remember that the cost of the junior livestock programs are offset in part by the general public, therefore the livestock area needs to be presentable at all times. All livestock stalls/pens must be cleaned out daily before 8:00 AM and exhibitors should make every effort to keep the barns clean at all times for the public.
  14. Exhibitors shall be responsible for the security of their animals in stalls or pens. All beef cattle and dairy cattle shall be securely tied with a neck rope in addition to a suitable halter. All sheep, goat, and swine pens shall be securely closed and fastened before the exhibitor leaves the barn area. Please do not put padlocks on any gates or pens.
5. Minor violations of exhibit conduct, not involving health or safety concerns, may be given one (1) verbal warning. This verbal warning will be documented and noted by a signature from the exhibitor and Livestock Superintendent or Fair Management. On the second violation, the exhibitor will be asked to leave the fairgrounds, and any awards and/or auction check will be withheld.

### **ELIGIBLE ENTRIES**

1. All 4-H, FFA and Independent entries must be submitted online and must have an electronic approval as designated by management. Entries also must have electronic approval by the exhibitor, his/her parent or guardian, and leader/advisor.
2. All Code of Conduct Agreement Forms must be signed by exhibitors and their parent/guardian to be considered eligible.

### **JUNIOR LIVESTOCK AUCTION**

The auction is a privilege, not a right. You are producing a product that will enter the food chain. The Fair's goal is not only to provide a seller with an avenue to sell, but also provide a consumer/buyer with quality, healthy, produced products from knowledgeable and responsible producers.

1. Every market animal exhibitor at Monterey County Fair is required to complete a Declaration of Animal Medication prior to selling an animal at the Junior Livestock Auction. Animals will not be eligible to sell if the Medication Form is not completed and properly signed.
2. Exhibitors, as owner of their market animals, acknowledge that they will be responsible for their animal if rejected at a harvesting plant due to the presence of drug or other residue. If drug or other residue is detected, the exhibitor understands that he/she may be liable to the buyer and/or Fair for an amount equal to three (3) times the purchase price and may also be liable for any attorney's fees and civil penalties.

### **SELLER'S RESPONSIBILITY**

1. All animals must follow the sale order as determined and compiled by Fair staff. Failure of the exhibitor to be present and ready to enter the ring with their animal will automatically disqualify the exhibitor from the sale.
2. No advertisement will be permitted on animals. Do not ask the auctioneer for special announcements. Adornments are permitted on Champion and Reserve Champion Market animals only. No exceptions.
3. All exhibitors must write Thank You letters to their auction buyers and turn them in at check pick up on September 16.
4. Exhibitors selling livestock through the Auction are solely responsible for feeding, watering, and general well-being of their own animals until the animals are loaded onto trucks for transport.
5. No parent, leader/advisor or exhibitor shall contact buyers for the purpose of purchasing, re-purchasing or giving back an auctioned animal.

### **CONDEMNED CARCASS**

1. In the case of a condemned carcass due to drug or chemical contamination, contagious disease, or sign of genetic disease syndrome exhibitors will forfeit earnings and all premiums and pay all costs associated with expenses.

### **SOLICITATION OF BUYERS/NON-SALE MARKET ANIMALS**

1. Absolutely no "For Sale" signs will be allowed until after the respective species has sold at Auction, August 31, 2025. Any exhibitor found soliciting buyers for non-sale market animals before or during the Auction will be subject to disciplinary action as determined by Fair Management.

### **CONSEQUENCES FOR VIOLATION OF EXHIBIT POLICIES**

1. If any violation of policy occurs prior to the junior livestock auction, the exhibitor will not be allowed to sell his/her animal.
2. If the violation occurs after the Junior Livestock Auction, the exhibitor will receive only market resale value (as determined the day of the auction) for the animal. Any remaining money paid by the buyer in purchasing the animal through the auction will be placed into a general scholarship fund or put towards educational purposes at the Fair. The buyer will receive the animal.
3. If it is determined that an exhibitor has violated the Fair's Code of Conduct or other exhibit policies, the exhibitor will be removed from the grounds and may not exhibit livestock at the following year's fair. For example: An exhibitor who violates a rule and is removed from the grounds in 2025 will not be allowed to exhibit livestock at the 2025 Fair. The exhibitor may then request in writing to exhibit livestock at the 2026 Fair. This request will be reviewed by the Board of Directors prior to an official entry being accepted.
4. Direction shall be focused more on the exhibitors excelling in leadership, education, and citizenship with their livestock projects.

## PARENT/ADULT CODE OF CONDUCT (PART II)

Verbal assistance by an adult is acceptable.
2. As a Leader/Advisor or parent, I acknowledge that direct criticism or interference with the judge, show management, other exhibitors, breed representatives or show officials before, during, or after the competitive event is PROHIBITED. All judges, Fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect, and as a Leader/Advisor or Parent I will not allow any person connected with my exhibitor's or child's animal project to direct abusive or threatening conduct toward any show official.
