January 26, 2026

On behalf of the California Department of Food and Agriculture, I am delighted to welcome you and to thank you for your involvement as we look ahead to the 2026 fair season. Each year, our fairs bring people together from every corner of our state to celebrate agriculture, community, and the dedication of those who make it all possible.

The heart of every fair lies in its people: families, volunteers, youth leaders, and countless others who share their talents and passions. Your participation as exhibitors strengthens these connections, turning each fair into a place where learning, collaboration, and pride in California agriculture come to life.

We are especially grateful for the young people who engage through 4-H, FFA, Grange, and other youth programs. Their enthusiasm and commitment represent the future of agriculture, inspiring the next generation to value hard work, stewardship, and innovation. The skills they develop through these programs, such as leadership, responsibility, and community service, extend far beyond the fairgrounds and enrich the entire state. These experiences are supported by the very spaces that make them possible, which continue to serve their communities long after the fair season ends.

Our fairgrounds are more than event spaces; they are year-round centers of community life. They host educational workshops, local markets, and cultural celebrations that bring people together and strengthen our shared sense of belonging. During emergencies, they also serve as critical response and recovery sites, underscoring their role as essential community infrastructure. These roles highlight the enduring partnership between our fairgrounds and the exhibitors, volunteers, and communities that keep them thriving.

We recognize and deeply appreciate the effort, care, and time you invest in preparing for the fair. Your commitment ensures that these traditions continue to thrive and that agriculture remains at the heart of California's identity.

Thank you for your continued involvement and support. We look forward to another successful fair season and to celebrating the incredible spirit of California's agricultural community together.

Yours truly,

Karen Ross
Secretary

DEPARTMENTAL RULES AND REGULATIONS

1. This department is open to California exhibitors only
2. **FEATURED CLASS 2026:** Division 600, Class 11, Shetland Ram or Ewe
3. Only fleeces in the grease are eligible for competition. Manufacturers and dealers are excluded. Judging begins at 9:00 AM Saturday, August 22, 2026. This is prior to the Fair.
4. Fleeces shall not be more than 12-months growth. The definition of “12-months” shall be the definition most commonly accepted by the wool trade. Thus, if a fleece is actually slightly more than 12-months growth, due to unavoidable delay in obtaining shearers, or by weather, it shall be termed “12-months” wool.
5. Because this Wool Show terminates in an auction of hand spinning quality fleeces, all fleeces shall have bellies and tags removed. Fleeces not in compliance shall be disqualified. Fleeces entered in breed classes shall not be penalized for their light weight.
6. No Wether fleeces may be included.
7. Ewe and White fleeces only in Market, Division 601.
8. Double coated fleeces such as Purebred Navajo-Churro and Karakul fleeces are to be shown only in the Breed Classes as their double coats make them very difficult to class commercially.
9. Each exhibitor will be limited to two fleece entries per class.
10. All fleeces entered must have been sheared from sheep owned by the exhibitors.
11.  **ANYTIME THERE IS MORE THAN 3 OF A BREED IN THE PUREBRED CLASSES AN INDIVIDUAL CLASS CAN BE MADE.**
12. The judge has power to re-classify fleeces and move fleeces to the correct Division or Class before making awards. If moving fleeces results in an exhibitor having more than two fleeces in the Division/Class, the extras will be disqualified.
13. Fleeces will be shown in clear plastic bags, rolled with flesh side out in a manner to allow their being handled without falling apart.
14. Any fleeces entered for competition in the Monterey County Fair Wool Show shall be discriminated against if:
 - Showing any paint or tar brands (soluble branding fluids permitted).
 - Showing a weak staple or break in the fiber.
 - Containing any excess burrs or other vegetative matter.
15. **JUDGING OF FLEECES SHALL CONSIDER:**
 - Fitness
 - Evenness of quality or fitness among the various parts of the fleece

- Length and strength of staple
 - Estimated clean weight
 - Condition
 - Character, including crimp and color
16. Fleeces may be shipped to the Wool Show at the address listed on the first page of the Department. A paper carton is excellent for shipping.
17. SALE OF WOOL: Fleeces deemed spinning quality by the judge will be sold in a special fleece auction unless disqualified. ALL FLEECES WILL BE OFFERED AT AUCTION. Please state on Entry form, the MINIMUM PRICE per Pound desired for each fleece, and disposition of fleece if not sold at auction. A 6% selling charge will be collected on all fleeces sold. If no minimum price is set, it will be determined to be \$2.00/lb. You will NOT be allowed to change the sale price after entry is received.
18. Exhibitors not wishing to incur the cost of return shipment for fleeces which do not sell may donate said fleeces to the Wool Show. The fleeces will be used for educational purposes. Please arrange for the retrieval of any unsold fleeces.
19. Disqualified fleeces will be released immediately after judging, Saturday, August 22, 2026. All unsold fleeces will be released following the auction. Please pick up by 2:00 PM on September 7 at the Wool Show Building. Please send a letter of authorization if you wish to have someone else pick up your unsold fleeces.

POLICIES FOR ANIMAL TREATMENT

1. Any effort to artificially change the conformation or appearance of an animal by treating the animal, internally or externally, with any irritant, counter-irritant, or other substance is considered unethical, inhumane, and is prohibited. Treatments that are prohibited include, but are not limited to, the use of artificial hair coloring (sprays, etc.), excessive use of common products such as fly spray, ointments or liniments, or other similar products. Excessive use is defined as the use of a substance to the point that it irritates the animal. For reference, livestock can be fit with livestock show supply spray paint from the knees and hocks down. Cattle may have livestock show supply spray paint applied to tail heads, tails, and tail switches.

Exceptions to this rule would be a California Licensed Certified Veterinarian's treatment for recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The Livestock Office must receive notification from the Licensed Certified Veterinarian of the details of any such prescribed treatment in writing. The substance used in this treatment must have been approved by The Food and Drug Administration for use in meat producing animals.
4. It is the responsibility of the exhibitor to feed, water and care for any animal they have entered in the Fair throughout the entire Livestock Show, including any period following the sale of the animal prior to the end of the Show/Fair (with exception of dates in Section 1, Policy 4). **All market animals must be cared for and are the responsibility of the exhibitor until 5:00 pm on Monday, September 7, 2026.**
5. Any animal that appears ill or injured while at the Fairgrounds must be reported to the livestock office. A veterinarian must check any animal considered unhealthy. If it is determined that the animal is carrying a communicable disease, the animal will be removed from the Fairgrounds. The Fairgrounds will not assume the cost for this action. The exhibitor must assume the full expense of the veterinarian's services.
6. Any animal that is determined to be unmanageable, or could be a safety hazard to the public, will be removed

from the Fairgrounds. The Livestock Superintendent/Fair Management makes this decision final.

7. It is considered abuse to excessively shrink or excessively exercise an animal.
8. Other than to reduce higher than normal body temperature of an animal that is overheated, ice is not to be applied to the body of an animal. Ice in a bucket of water is permitted. No cooling devices, electrical stimulation tools or shockers may be used. Ice used to cool down the body temperature of a hog is acceptable.
9. Physical abuse of an animal will not be tolerated. For example: when moving hogs, care should be taken not to excessively beat or hit an animal (either by a person or with an object).
10. For the safety of the animal and the public, animals are not to be left unattended on fitting tables or in blocking chutes.
11. All lambs and goats must be shown with their front feet on the ground as practiced by acceptable showmanship procedures. If this policy is not followed, the judge may ask the exhibitor to leave the ring.
12. During animal weigh-in, while at the scale, or any time during the Fair or on arrival times, all sheep and goats will be checked for any infectious disease, open sores, abscesses, injury, parasites, or any unhealthy condition. Those animals determined to have an infectious disease will be asked to immediately leave the fairgrounds. For example: animals found to have live active Ringworm, or active Sore Mouth will be asked to leave the fairgrounds. It is strongly suggested that the health of each animal be evaluated prior to coming to the Fair. The Fair Association is not responsible for any costs associated with the transfer or care of these animals.
13. Exhibitors should remember that the cost of the junior livestock programs are offset in part by the general public, therefore the livestock area needs to be presentable at all times. All livestock stalls/pens must be cleaned out daily before 8:00 AM and exhibitors should make every effort to keep the barns clean at all times for the public.
14. Exhibitors shall be responsible for the security of their animals in stalls or pens. All beef cattle and dairy cattle shall be securely tied with a neck rope in addition to a suitable halter. All sheep, goat, and swine pens shall be securely closed and fastened before the exhibitor leaves the barn area. Please do not put padlocks on any gates or pens.

CONSEQUENCES FOR VIOLATION OF EXHIBIT POLICIES

1. If any violation of policy occurs prior to the junior livestock auction, the exhibitor will not be allowed to sell his/her animal.
2. If the violation occurs after the Junior Livestock Auction, the exhibitor will receive only market resale value (as determined the day of the auction) for the animal. Any remaining money paid by the buyer in purchasing the animal through the auction will be placed into a general scholarship fund or put towards educational purposes at the Fair. The buyer will receive the animal.
3. If it is determined that an exhibitor has violated the Fair's Code of Conduct or other exhibit policies, the exhibitor will be removed from the grounds and may not exhibit livestock at the following year's fair. For example: An exhibitor who violates a rule and is removed from the grounds in 2026 will not be allowed to exhibit livestock at the 2026 Fair. The exhibitor may then request in writing to exhibit livestock at the 2027 Fair. This request will be reviewed by the Board of Directors prior to an official entry being accepted.
4. Direction shall be focused more on the exhibitors excelling in leadership, education, and citizenship with their livestock projects.

5. Minor violations of exhibit conduct, not involving health or safety concerns, may be given one (1) verbal warning. This verbal warning will be documented and noted by a signature from the exhibitor and Livestock Superintendent or Fair Management. On the second violation, the exhibitor will be asked to leave the fairgrounds, and any awards and/or auction check will be withheld.

ELIGIBLE ENTRIES

1. All 4-H, FFA and Independent entries must be submitted online and must have an electronic approval as designated by management. Entries also must have electronic approval by the exhibitor, his/her parent or guardian, and leader/advisor.
2. All Code of Conduct Agreement Forms must be signed by exhibitors and their parent/guardian to be considered eligible.

JUNIOR LIVESTOCK AUCTION

The auction is a privilege, not a right. You are producing a product that will enter the food chain. The Fair's goal is not only to provide a seller with an avenue to sell, but also provide a consumer/buyer with quality, healthy, produced products from knowledgeable and responsible producers.

1. Every market animal exhibitor at Monterey County Fair is required to complete a Declaration of Animal Medication prior to selling an animal at the Junior Livestock Auction. Animals will not be eligible to sell if the Medication Form is not completed and properly signed.
2. Exhibitors, as owner of their market animals, acknowledge that they will be responsible for their animal if rejected at a harvesting plant due to the presence of drug or other residue. If drug or other residue is detected, the exhibitor understands that he/she may be liable to the buyer and/or Fair for an amount equal to three (3) times the purchase price and may also be liable for any attorney's fees and civil penalties.

SELLER'S RESPONSIBILITY

1. All animals must follow the sale order as determined and compiled by Fair staff. Failure of the exhibitor to be present and ready to enter the ring with their animal will automatically disqualify the exhibitor from the sale.
2. No advertisement will be permitted on animals. Do not ask the auctioneer for special announcements. Adornments are permitted on Champion and Reserve Champion Market animals only. No exceptions.
3. All exhibitors must write Thank You letters to their auction buyers and turn them in at the Exhibitor's Awards Breakfast on Monday, September 7th.
4. Exhibitors selling livestock through the Auction are solely responsible for feeding, watering, and general well-being of their own animals until the animals are loaded onto trucks for transport.
5. No parent, leader/advisor or exhibitor shall contact buyers for the purpose of purchasing, re-purchasing or giving back an auctioned animal.

CONDEMNED CARCASS

1. In the case of a condemned carcass due to drug or chemical contamination, contagious disease, or sign of genetic disease syndrome exhibitors will forfeit earnings and all premiums and pay all costs associated with expenses.

SOLICITATION OF BUYERS/NON-SALE MARKET ANIMALS

1. Absolutely no "For Sale" signs will be allowed in the barn area. Any exhibitor found soliciting buyers for non-sale market animals before or during the Auction will be subject to disciplinary action as determined by Fair Management.
